## Membership Packet

Welcome new ECDR members!! This packet is designed to help you get familiar with our club and it's rules.

The track was built in the late 1960's primarily as a flat track. The Motocross track was built shortly after. In 1988 we formed a legal corporation. We also purchased the land in 1988. In 1989 the club house trailer was bought, the bleachers we built, the parking lot was graveled and lap counting stands were built. A second Motocross track was built in 1990 and a well was drilled. Starting gates were installed in 1992 and in 1994 a supercross track was built. In 2003 we installed a sprinkler system.

Club meetings are held the 2<sup>nd</sup> Tuesday of every month in the basement of the Taco Treat/Amigo Lounge. It is important for members to make as many meeting as possible to help in the decision making and to voice thoughts and concerns that will help make your club and track the best it can be!
